

Mountain Air Ranch Pet Policy

In order to assure all members and guests an enjoyable and safe environment at Mountain Air Ranch (MAR), the following rules apply to all pet owners:

- Due to our location, MAR is subject to the Animal Control Regulations of Jefferson County. Pet owners are responsible for familiarizing themselves with, and complying with, these regulations. A copy is available in the office.
- Any animal bite must be immediately reported to MAR management. The pet involved will be permanently barred from MAR.
- All pets must be leashed and under their owner's control at all times, unless tethered or confined within the boundaries of the tent or RV site. Leashes and tethers may be no more than 10 feet in length.
- Pets are not allowed in any buildings, the pool/playground/hot tub area, on the ball courts, around the community kitchen and its outdoor eating area.
- The dog run to the west of the lodge is available as an off-leash area.
- All pet feces must be picked up immediately and disposed of in one of the trash dumpster located around the property. Port-o-potties and toilets are never to be used for disposal.
- Owners of barking dogs or other noisy animals will be asked to attend to their pets immediately. If the disturbance continues, the owner will be told to remove the offending animal from MAR.
- Pet owners who do not follow the above regulations will lose the privilege of bringing pets to MAR. Except for the instance of pet bites, pet owners may petition the membership committee to have this privilege re-instated.
