What Are Cookies

As is common practice with almost all professional websites this site uses cookies, which are tiny text files that are downloaded to your computer, to improve your experience. This page describes what information our cookies gather, how we use it and why we sometimes need to store the information generated by these cookies. We will also share how you can prevent these cookies from being set on your computer; however, this may downgrade or 'break' certain elements of our site's functionality.

For general information on cookies see the Wikipedia article on HTTP Cookies, at https://en.wikipedia.org/wiki/HTTP_cookie.

How We Use Cookies

We use cookies for the reasons detailed below. Unfortunately, in most cases there are no industry standard options for disabling cookies without completely disabling the functionality and features they add to this site. It is recommended that you leave on all cookies if you are not sure whether you need them or not, in case they are used to provide a service that you use.

Disabling Cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of [many] websites that you visit. Disabling cookies will usually result in also disabling certain functionality and features of this site. Therefore, it is recommended that you do not disable cookies.

The Cookies We Set

Trynude.com does not generate any first party cookies. We do use third-party cookies strictly to analyze site traffic.

Third Party Cookies

We use cookies provided by trusted third parties. Here are the third-party cookies you might encounter through this site.

* This site uses Google Analytics which is one of the most widespread and trusted analytics solutions on the web for helping us to understand how you use [our] site and ways that we can improve your experience. Our Google Analytics cookies track things such as how long you spend on the site and the pages that you visit so we can continue to produce engaging content.

For more information on Google Analytics cookies, see the official Google Analytics page, or https://en.wikipedia.org/wiki/Google_Analytics.

More Information

Hopefully that has clarified things for you. As was previously mentioned if you aren't sure whether you need cookies or not it's usually safer to leave cookies enabled in case the cookies interact with one of the features you use on our site.
